Big Impact for Bright Futures

On Wednesday, September 16, 2026, we will come together for our 30th Birthday Luncheon to celebrate three decades of Big Impact for Bright Futures for young children, families, and early childhood educators across Guilford County. From 11:30 a.m. to 1:00 p.m. at the Centennial Station Arts Center in High Point, this luncheon does more than mark an anniversary, it honors the progress we have built together and challenges us to stay committed to the work that will shape the next 30 years and beyond.

Over the past 30 years, meaningful progress has been made because partners like you chose to believe in the promise of early childhood education. With strategic investments, we have strengthened families, supported early childhood educators, and helped children in Guilford County enter school safe, healthy, and ready to succeed.

We invite you to join us in celebrating this milestone and in helping shape a future where every child has the foundation they deserve.

Sponsorship opportunities are limited, and early confirmation ensures priority placement and recognition. Please reach out to Heather Adams, Executive Director, at HeatherA@guilfordchildren.org to secure your sponsorship. We look forward to building the future of young children, together!
